Workshop 1: How to pitch your Start-up

Sonntag, 6. August 2023 10:00 (2 Stunden)

A summer full of iGEM ...and in the end, it will only take a few minutes in which we will present the results and experiences of the last few months on stage at the Grand Jamboree in Paris. In order to keep the audience engaged from the first to the last second of your presentation, you can use specific techniques to maintain the tension during your presentation. Here you will learn tools that will simplify storytelling and put your project in the spotlight.
