

MNF Day 2024

Donnerstag, 7. November 2024

Afternoon Talks: Keynote- Nanotechnology in Münster - How the Center for Soft Nanoscience came to be (14:15 - 14:45)

-Vorsitzende der Sitzung: Helmut Zacharias

Afternoon Talks: Two Photon 3D Lithography with Nanoscribe (15:15 - 15:45)

Afternoon Talks: New twists for nanoquakes on a chip – Emerging applications of surface acoustic waves to probe and control quantum nanosystems (15:45 - 16:00)

-Vorsitzende der Sitzung: Matthias Weiß

Afternoon Talks: ToF-SIMS for analysis of soft nanomaterials (16:00 - 16:15)

-Vorsitzende der Sitzung: Bonnie June Tyler
