WEEK

Focus on Sustainability in Battery Research and Development as Enabler for Circular Economy

MEET Battery Research Center, Münster
June 27, 2025

01

Opening Remarks

13:00 – 13:15

Welcome

Dr Adrienne Hammerschmidt, Dr Falko Schappacher
(Board of Directors at MEET Battery Research Center)

02

Symposium on Sustainability in Battery Research and Circular Economy

13:15 – 13:35

Focus on Sustainability in Battery Research and Development

Dr Markus Börner (MEET Battery Research Center)

13:35 – 13:55

Development and Production of High Quality LFP Cathode Active Materials for the European Battery Industry

Dr Azadeh Motealleh (Shift Materials)

13:55 – 14:15

Circular Economy Business Models in Different Industrial Sectors

Dr Bernd Kopacek (ISL – Kopacek KG)

14:15 – 14:35

Holistic Solution for Green Recycling Processes for End-of-Life Batteries – Project REVITALISE

Dr Sascha Nowak (MEET Battery Research Center)

14:35 – 14:55

Circular Economy Innovations for Resilient, Competitive and Sustainable Battery Technologies – Project Circubatt

Prof. Dr Li Zhou (University of Greenwich)

14:55 – 15:00

Closing Remarks

Dr Adrienne Hammerschmidt, Dr Falko Schappacher
(Board of Directors at MEET Battery Research Center)

03

Networking & Lab Tours

15:00 – 17:00

Coffee Break // Lab Tours MEET Battery Research Center // Focus Group
