

Good Chemistry!

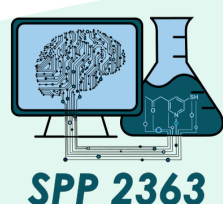

Dream Reactions

Towards a Sustainable Future

3 September 2026

Schloss, Schlosspl. 2, Münster

- 10:00 ● **Christophe Copéret**
Catalysis, One Atom at a Time
- 10:45 ● **Xile Hu**
Biocatalytic Hydroamination of Alkenes Using Ammonia
- 11:30 ● **Anat Milo**
Molecular Dreams in Latent Space
- 12:15 ● **Regina Palkovits**
Catalysis Toolbox for Energy and Ressource Transition
- 13:00 ● Posters & Break
- 14:30 ● **Franziska Schoenebeck**
Predicting Chemical Reactivity?
- 15:15 ● **Peter Schreiner**
Dream-Reactions – Dream Molecules
- 16:00 ● **Peter Seeberger**
Glycosylations – A Nightmare?
- 16:45 ● **Charlotte Voigt**
Seeing the Unseen in Catalysis: From Hidden Dynamics to Dream Reactions
- 17:10 ● Remarks & Awards

Organizer: Prof. Dr. Frank Glorius
Institute of Organic Chemistry
University of Münster

Registration

Speakers

Christophe Copéret
ETH Zürich
Switzerland

Xile Hu
EPFL Lausanne
